China: import of measuring and control technology (in million US\$;) Comparative 2010 - 2011 in %

The upward trend of the Chinese market for measuring and control technology continues

The next trade show, the "China international scientific instrument and laboratory equipment exhibition (CISILE2012)" will take place from the 15th until 17.5.12 in Beijing. Organizer is the China instrument Manufacturers Association (CIMA). More info in the link below :
